On motion by Erica Porter, second by Angela Hawkins, the Board unanimously approved the Agenda as presented.

On motion by Angela Hawkins, second by Erica Porter, the Board unanimously directed staff to open the polls and begin the recount for NC Supreme Court Chief Justice Contest.

Director Gary Sims informed the Board that all team members have taken the oaths to perform the recount. The bipartisan teams on the DS200 Tabulators will count absentee by mail ballots. The bipartisan teams on the DS850 High Speed Tabulators will count early voting ballots and precinct ballots. The bipartisan teams at the ballot tables are sorting the early voting ballots by ballot style to prepare to be counted through the DS850 High Speed Tabulators. The Board will have a quorum to reconvene and must have at least 2 bipartisan members present during the recount.

The Board signed the pallets of ballots that staff had completed running through the tabulators and escorted them to the secure ballot cage by a bipartisan team of Board members.

The Board recessed at 5:32 p.m.

The Board reconvened at 9:00 a.m. on November 20, 2020. A quorum of board members were present with bipartisan representation. The Board directed staff to continue with the recount.

Two Board members with bipartisan representation retrieved the ballots from the ballot cage with staff.

Chair Greg Flynn introduced the Elections Protest submitted by Cheri Beasley. Protest attached.

Greg Flynn stated his proposed findings.

After discussion and review, on motion by Gerry Cohen, second by Angela Hawkins, the Board unanimously moved to dismiss the protest due to lack of probable cause. Motion to dismiss order is attached.

The Board reconvened at 9:01 a.m. on November 23, 2020. All board members were present. The Board directed staff to continue with the recount.

Two Board members with bipartisan representation retrieved the ballots from the ballot cage with staff.

Chair Greg Flynn introduced the Elections Protest submitted by Paul Newby. Protest attached.

Greg Flynn stated his proposed findings.

Angela Hawkins stated that the Board did not receive a list of deceased voters and did not issue any challenges for deceased voters and wanted to listen to the full protest.

Keith Weatherly stated that other county boards received direction prior to the deadline which was not given to the Board to adhere to NC state law and stated there's probable cause to grant a hearing.

Erica Porter stated it wasn't received timely as voter challenges had to be received by 5:00 p.m. on Election Day and previously the Board had not issued any challenges.

Gerry Cohen motioned to dismiss the protest due to lack of probable cause. Erica Porter seconded.

During discussion, Angela Hawkins stated it's against NC state law for votes to be counted if they were not an eligible voter on Election Day. The Board received a list of voters with active felonies and took action on those votes but did not receive a list of deceased voters. She stated she'd like to have the full hearing and if the Board does not have a remedy, it can be submitted to the North Carolina State Board of Elections for a remedy.

Gerry Cohen stated that voters with active felonies committed felonies prior to voting which differs from someone who passes away after casting a valid vote.

Keith Weatherly stated the Board needs to correct the certified vote totals due to not being given the guidance necessary.

Erica Porter stated that the Director and staff have provided the Board the information needed.

After discussion and review, the Board moved to dismiss the protest due to lack of probable cause. Keith Weatherly and Angela Hawkins opposed the motion. Motion to dismiss order is attached.

Director Gary Sims informed the Board that bi-partisan teams will be replicating emergency bin ballots.

The Board reviewed any ballots with question of voter intent due to stray pen marks.

The Board signed the pallets of ballots that staff had completed running through the tabulators and escorted them to the secure ballot cage by a bipartisan team of Board members.

The Board recessed at 5:20 p.m.

The Board reconvened at 6:40 p.m.

The Board reviewed and signed the Summary Totals.

There being no further business, the meeting adjourned at 7:28 p.m.

Respectfully submitted,

CHAIR

### *Absentee Mail Ballots*

Commencing on September 4, 2020 each North Carolina county board of elections (“County Board”) transmitted absentee ballots and ballot applications (in the form of container-return envelopes) to registered voters who had requested them. The applicable provisions of N.C.G.S. § 163, as amended by House Bill 1169, and the Numbered Memos promulgated in accordance therewith provided certain guidance with respect to the burdens imposed on voters seeking to vote by absentee ballot. Upon receipt at each County Board, such applications were to be examined for compliance with applicable laws and guidance provided by the North Carolina State Board of Elections (“State Board”). In addition, several court orders provided additional guidance to the County Boards. The process of review and approval of absentee ballot applications resulted in the occasional wrongful denial of voter applications for absentee ballots. The protestor alleges that these wrongful denials have deprived voters of their right to cast absentee ballots, thus, casting doubt on the apparent results of the election.<sup>1</sup>

#### A. Wrongful Rejection of Absentee Ballots – All Required Information

Democratic Party volunteers reviewed absentee ballot container-return envelopes (“*absentee envelopes*”) in counties throughout the state. Some counties denied the Democratic Party its right to inspect absentee envelopes under North Carolina law and Numbered Memo 2016-25, thereby denying the Party and the protestor an opportunity to identify other absentee envelopes that would have met the criteria for Exhibits A-1 and A-2.

The absentee envelopes associated with the voters listed in **Exhibit A-1**<sup>2</sup> appear to have all required fields completed and should have been approved by the Board for counting. Based on a review of data uploaded to the State Board website (hereinafter, “*SEIMS data*”), these voters’ ballots were not accepted. These ballots should be approved and counted.

The absentee envelopes associated with voters listed in **Exhibit A-2** appear to contain all required voter and witness information, except that some of the information was entered outside the prescribed field, and some of the witness address omit city, state, and/or zip codes.

---

<sup>1</sup> To the extent these denials resulted from the failure of your county board to individually review and vote on each absentee ballot recommended by staff for disapproval, that would provide an additional basis for a protest under the State Board’s directive that “the board must individually review all ballot envelopes that: (1) have been recommended for disapproval by staff ...” Numbered Memo 2020-25 at 5.

<sup>2</sup> For ease of transmission, the Exhibits are provided in PDF format. Counsel will provide the native Excel files upon request.

State law does not require a container-return envelope to be deemed deficient if a voter, witness, or assistant provides information or a signature outside of the prescribed field.<sup>3</sup> The only requirement is that the voter and witness supply the required information on the envelope itself, and that the County Board be able to identify which signature belongs to the voter and which signature belongs to the witness/assistant, respectively. Based on a review of the SEIMS data, however, these voters' ballots were not accepted.

Moreover, state law and State Board guidance are clear that if an absentee envelope is missing the witness's city, state, or ZIP code, the County Board cannot invalidate the envelope and should, instead, determine the correct address.<sup>4</sup> Even if both the city and ZIP code are missing, a County Board must determine whether the "correct address can be identified" before rejecting the ballot.<sup>5</sup> Specifically, County Board staff must use a tool—such as SEIMS, a county GIS website or office, or a similar tool—to look up the witness's or assistant's name and partial address and find a match.

These ballots, therefore, should be counted.

#### B. Wrongful Rejection of Absentee Ballots – "Received After Deadline"

Numbered Memo 2020-22 requires County Boards to "conduct research to determine whether there is information in BallotTrax that indicates the date [the ballot] was in the custody of the USPS" and, further, to "conduct research with the USPS or commercial carrier to determine the date it was in the custody of USPS or the commercial carrier."<sup>6</sup>

**Exhibit B-1** lists voters who have a BallotTrax scan on or before November 3 but are marked as "Received After Deadline." Under Numbered Memo 2020-22, these voters' ballots must be counted.

**Exhibit B-2** lists voters whose ballots were received no later than November 5, including some received by November 3, which are also marked as "Received After Deadline." A ballot that is received by November 3 must be counted. Moreover, it is implausible that a ballot received on November 4 or November 5 was not sent by November 3. Please re-review the ballot envelopes for any indicia of when the ballots were sent and, pursuant to Numbered Memo 2020-22, please "conduct research to determine whether there is information in BallotTrax that indicates the date [the ballot] was in the custody of the USPS" and "conduct research with the USPS or commercial carrier to determine the date it was in the custody of USPS or the commercial carrier."<sup>7</sup>

#### C. Wrongful Rejection of Absentee Ballots – "Self-Reported Having Submitted Cure Certifications"

<sup>7</sup> Numbered Memo 2020-22 (Sept. 4, 2020) at 2.

**Exhibit C** lists voters who told Democratic Party volunteers that they had submitted cure certifications. Based on a review of the data, these voters' ballots were not accepted. These ballots should count, provided that the voter submitted a valid cure certification.

D. Wrongful Rejection of Absentee Ballots – “Voters’ Status Changed from ‘Accepted’ or ‘Accepted-Cured’ to a Rejected Status”

Some County Boards appear to have engaged in the impermissible practice of re-reviewing absentee ballot container-return envelopes after they had been accepted. Section 163- 230.1(e) provides the procedure for a County Board’s review and acceptance of absentee ballot envelopes:

At its next official meeting after return of the completed container-return envelope with the voter’s ballots, the county board of elections shall determine whether the container-return envelope has been properly executed. ***If the board determines that the container-return envelope has been properly executed, it shall approve the application and deposit the container-return envelope with other container return envelopes for the envelope to be opened and the ballots counted at the same time as all other container-return envelopes and absentee ballots.***

(emphasis added). The law provides no mechanism for the County Board to rescind an absentee envelope acceptance, and a decision to accept is thus final. *Id.*; see *Arnett v. North Carolina St. Bd. of Elections*, No. 20 CVS 12454 (Wake Co. Super. Ct., filed Oct. 5, 2020) (Order Denying Temporary Restraining Order) at 6 (“The decision of the board on the validity of an application for absentee ballots shall be final.” (citing N.C.G.S. § 163-230.1(f))); *Id.*, *State Board Brief* at 12-13. The only time such a decision may be reviewed is in the event of an election contest, not a voter challenge. N.C.G.S. § 163-230.1(f) (“The decision of the board on the validity of an application for absentee ballots shall be final subject only to such review as may be necessary in the event of an election contest.”); see *Arnett* at \*6 (review of absentee envelope acceptance decisions is only proper “in the event of an election contest” (citing N.C.G.S. § 163-230.1(f))); N.C.G.S. § 163-278.300 (defining “an election contest filed under Article 3 of Chapter 120 of the General Statutes or G.S. 163-182.13A”).

A County Board’s decision to rescind acceptances of absentee ballot envelopes and issue cure certifications and new ballots any number of days or weeks **after** a voter has been informed their ballot has been accepted and counted runs afoul of State Board directives and threatens to disenfranchise voters. Numbered Memo 2020-25 makes clear: “voters must be contacted within one business day of when staff identify the deficiency. It is not permissible to wait for the absentee board meeting to contact the voter about a deficiency.” *Id.* at 4. Numbered Memo 2020-25 further directs elections officials to follow Numbered Memo 2020-19 in reviewing absentee ballot envelopes. *Id.* That Memo reiterates: “[i]f there are any deficiencies with the absentee envelope, the county board of elections shall contact the voter in writing within one business day of identifying the deficiency to inform the voter there is an issue with their absentee ballot and enclosing a cure certification or new ballot.” Numbered Memo 2020-19 at 3. A County Board would violate these explicit requirements by taking absentee envelopes that already received final approval and then rescinding that decision.

**Exhibit D** lists voters who returned mail ballots, had those ballots listed as “Accepted” or “Accepted-Cured,” but had that status changed to a status that resulted in their mail ballot *not* being accepted. To the extent that these voters had their ballots approved by the County Board at a meeting and then had that approval rescinded, these voters’ ballots should be counted for the reasons described above.

### **Provisional Ballots**

The exhibits below describe voters who cast provisional ballots that are listed as “Pending” or “Not Counted,” according to the most recent data on the State Board’s website. For the reasons set forth below, these voters’ provisional ballots should be “Approved” or “Partial” counted.

#### **E. Wrongful Rejection of Provisional Ballots**

**Exhibit E-1** lists provisional voters who reside in and are registered to vote in your county, according to information reflected in the Provisional Ballot Application. These ballots should be approved and counted in all statewide races and any other races for which they are eligible. *See* Numbered Memo 2018-05 §§ 1 (“In determining whether to count a provisional ballot in full, in part, or not at all, county boards should be guided by the following ... 1. The applicant must be a registered voter in the county.”); 1.4 (“A registered voter who has moved within the same county but had not previously updated his or her registration may vote in the new precinct, the old precinct or a central location designated by the county board.”); 1.5 (“If a voter submits a Provisional Voting Application simply because he or she presented in a precinct other than his or her proper precinct, the county board should approve the application and count all votes cast in contests for which the voter is eligible.”); 1.6 (“If it can be determined after Election Day and before the canvass that the applicant had properly registered . . . before the voter registration deadline, the county board shall approve the application and count all votes cast in contests for which the voter is eligible.” (internal citation omitted)).

**Exhibit E-2** lists voters who have maintained continuous residence in your county since registering to vote, even though they were removed from the voter rolls. These voters signed attestations, which were provided to your County Board. Some County Boards refused to consider this information, in contravention of Numbered Memos 2016-25 and 2018-5.

Given this corrective information, these ballots should be approved and counted. *See* Numbered Memo 2018-05 § 1.3 (“If the voter has maintained continuous residence in the county, the voter remains eligible to vote ... The voter’s written or verbal affirmation regarding their continuous residency is sufficient to confirm ongoing eligibility, absent evidence to the contrary, and the county board must approve the provisional application.”); Numbered Memo 2016-25 (“Corrective information may be delivered by mail, email, facsimile, commercial carrier, or private carrier (including attorneys, campaign staff, relatives, etc.).”). If you need an additional copy of the attestation, Counsel can provide it.

**Exhibit E-3** lists provisional voters who changed their names since registering to vote but who are nonetheless registered to vote in your county. These voters signed attestations, which were provided to your County Board. Some County Boards refused to consider this information, in contravention of Numbered Memos 2016-25 and 2018-5.

Given this corrective information, these ballots should be approved and counted. *See* Numbered Memo 2018-05 § 1.6 (advising election officials to check whether the voter is “registered in a different name”); Numbered Memo 2016-25 (“Corrective information may be delivered by mail, email, facsimile, commercial carrier, or private carrier (including attorneys, campaign staff, relatives, etc.).”). If you need an additional copy of the attestation, Counsel can provide it.

**Exhibit E-4** lists provisional voters who self-reported timely registering to vote or attempting to register with your County Board or another government agency. Given this corrective information, these ballots should be approved and counted. *See* Numbered Memo 2018-05 § 1.1 (“If . . . the provisional applicant made an attempt to register to vote at the DMV . . . on or before the voter registration deadline, the provisional application must be approved . . .”); *id.* § 1.6 (requiring approval if the applicant “timely attempted to register before the voter registration deadline”). If you need information from another government agency to verify a provisional voter’s registration status, you should immediately obtain that information.

**Exhibit E-5** lists provisional voters who live in your county who voted provisionally due to an “Unrecognized Address.” Look-up tools have verified that these addresses are in your county. Given this corrective information, these ballots should be approved and counted. If you need information from another source in order to verify a provisional voter’s address, you should immediately obtain that information. *See* Numbered Memo 2018-05 (advising that “county boards are encouraged to keep in mind the core objective is to research the applicant and ultimately count votes cast in races for which the voter was eligible, if any”).

**Exhibit E-6** lists voters who were required to cast provisional ballots during the one-stop absentee period, for reasons other than “ID-required” or “voter already voted.” These voters should have been provided an opportunity to register or re-register (to update an address).<sup>8</sup> The failure to do so was an error of the election official, not the voter. And election official error is *not* a basis to reject an otherwise valid vote.

Lastly, please find attached an affidavit attesting to the research and the processes of examining data published by the State Board of Elections from which the affiant, acting in behalf of the North Carolina Democratic Party, concluded that such errors and irregularities deprived voters of the ability to have their votes cast and counted and thus casts doubt upon the apparent results of the election. The protestor does not contend that there are errors in counting or result tabulation of votes as such described in Numbered Memo 2020-25 September 22, 2020. Numbered Memo 2020-25 defines tabulation or counting as that which “occurs on Election Day and is the result of the scanning that has taken place.”

STATE OF NEW YORK

COUNTY OF Kings

AFFIDAVIT OF OLIVER HO

Oliver Ho, being first duly sworn, deposes and says:

A. I am over eighteen years of age and have personal knowledge of the facts set forth herein. I submit this Affidavit in support of the Election Protest filed by Cheri Beasley in the November 3, 2020 contest for Chief Justice of the North Carolina Supreme Court (the "Protest").

B. I supervised the review of data and preparation of Exhibits A-1 through E-6 to the Protest. The Exhibits were prepared as set forth herein.

METHODOLOGICAL EXPLANATION

*Exhibits A-1 and A-2*

1. Volunteers reviewed absentee ballot container-return envelopes in selected counties. The review occurred either in the county board offices or, when counties provided copies of the envelopes, volunteers reviewed these envelopes.
2. Volunteers were trained and provided with a form, which was designed to mirror the fields on the contained-return envelope itself.
3. Volunteers were instructed to record information from the container-return envelope onto the form. The data then uploaded onto a spreadsheet, with each container-return envelope on one row.
4. Using code, the Democratic Party data team ("**Data Team**") identified those rows where the container-return envelope had all required information, in the correct fields. The Data Team then made a good faith effort, using widely accepted methods for matching persons across datasets without unique identifiers, to identify the voters on this list who are coded with a ballot status other than "Accepted" or "Accepted - Cured," as of SBE file dated November 16, 2020 ("**SEIMS Data**"). The resulting list of voters is on Exhibit A-1.
5. Using code, the Data Team identified those rows where the container-return envelope had all required information, except that the address was partial and/or the voter or witness information was in a different field. The Data Team then made a good faith effort, using widely accepted methods for matching persons across datasets without unique identifiers, to identify the voters on this list who are coded with a ballot status other than "Accepted" or

"Accepted - Cured," in the SEIMS Data. The resulting list of voters is on Exhibit A-2.

#### *Exhibit B-1*

6. The Data Team generated a list of voters coded as "Returned After Deadline" in the SEIMS Data.
7. The Data Team then matched that data against publicly-available BallotTrax data that SBE posted on its own website.
8. Voters coded as "Returned After Deadline" whose ballots were scanned on or before November 3, according to the publicly-available BallotTrax data, are listed in Exhibit B-1.

#### *Exhibit B-2*

9. Exhibit B-2 includes a list of voters coded as "Returned After Deadline" in the SEIMS Data, whose ballot was marked as received by a county board of elections on or before November 5.

#### *Exhibit C*

10. Exhibit C includes a list of voters who told Democratic Party volunteers that they had submitted cure certifications, but are appearing in the SEIMS data with a code other than "Accepted" or "Accepted-Cured."

#### *Exhibit D*

11. Exhibit D includes a list of voters who were once coded as "Accepted" or "Accepted-Cured," but appear in the most recent SEIMS data with a code other than "Accepted" or "Accepted-Cured."

#### *Exhibits E-1 through E-6*

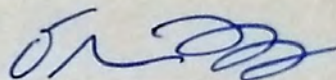

12. The Data Team made a good faith effort to match voters on the provisional ballot file against the voter file using widely accepted methods for matching persons across datasets that do not use unique identifiers.
13. Exhibit E-1 includes voters who cast provisional ballots who are identified by the Data Team as being registered to vote in the same county where they cast provisional ballots. It excludes voters coded as voting provisionally due to "ID Required" or "Voter Already Voted."

14. Exhibit E-2 includes attestations from voters who have maintained continuous residence in the same county since they last registered to vote.
15. Exhibit E-3 includes attestations from voters who changed their name but have maintained continuous residence in the same county since they last registered to vote.
16. Exhibit E-4 includes voters who told Democratic Party volunteers that they had attempted to register to vote at their county boards or at other government agencies.
17. Exhibit E-5 includes voters coded as voting provisionally due to an "unrecognized address" whose address the Data Team was able to verify using widely accepted methods for geocoding, including but not limited to tools made available by the US Census Bureau.
18. Exhibit E-6 includes voters who cast provisional ballots during one-stop absentee voting, except those coded as voting provisionally due to "ID Required" or "Voter Already Voted."

Further the Affiant sayeth not.

WAKE COUNTY OF NORTH CAROLINA  
WAKE COUNTY

BEFORE THE WAKE COUNTY BOARD OF ELECTIONS

IN RE: PROTEST OF CHIEF JUSTICE )  
CHERI BEASLEY )  
)  
)

**ORDER**

THIS MATTER CAME BEFORE THE WAKE COUNTY BOARD OF ELECTIONS (“Board”) for a preliminary hearing on November 20, 2020 in an election protest (“Protest”) filed pursuant to G.S. 163-182.9, by Chief Justice Cheri Beasley (“Protestor”), a candidate in the Chief Justice of the North Carolina Supreme Court, to determine whether there was probable cause sufficient to schedule a protest hearing in the Chief Justice of the North Carolina Supreme Court contest (“Contest”).

The Board having considered the written submissions from the Protestor, as well as relevant statutes, hereby finds, concludes, and orders as follows:

FINDINGS OF UNDISPUTED FACTS

1. Protestor is one of two candidates for the election of Chief Justice of the North Carolina Supreme Court in the November 3, 2020 general election and is a registered voter in Wake County, North Carolina.
2. Protestor filed an election protest with the Board on November 17, 2020, pursuant to G.S. 163-182.9. The Protestor contends that: a) There was a defect in the manner by which votes were counted or results tabulated sufficient to cast doubt on the apparent results of the election, and b) a violation of election law, irregularity, or misconduct sufficient to cast doubt on the apparent results of the election.
3. At the time of the filing of the Protest, the vote margin for the Contest was as follows:  

Chief Justice of the Supreme Court of North Carolina    367    votes
4. Protestor specifically alleged that Democratic Party volunteers reviewed absentee by mail (“ABM”) ballots across the state and observed the following in select counties:
  - i    Wrongful rejection of ABM ballots that contained all required voter and witness information;
  - ii    Wrongful rejection of ABM ballots received after November 3, 2020 but in compliance with NCSBOE Numbered Memo 2020-22;

- iii Wrongful rejection of ABM ballots with self-reported cures;
  - iv Wrongful rejection of ABM ballots that were initially accepted or accepted subject to cure but were later moved to a rejected status; and
  - v Wrongful rejection of provisional ballots.
5. Protestor further alleged that it was uncertain whether the Protest would alter the outcome of the Contest.
  6. The Board held this preliminary consideration hearing on November 20, 2020 following its canvass for the November 3, 2020 general election.

#### CONCLUSIONS OF LAW

7. The Board has jurisdiction over this matter pursuant to G.S. 163-182.9.
8. Pursuant to G.S. 163-182.10(a)(1), the Board shall, "...as soon as possible after the protest is filed, meet to determine whether the protest substantially complies with G.S. 163-182.9 and whether it establishes probable cause to believe that a violation of election law or irregularity or misconduct has occurred. If the board determines that one or both requirements are not met, the board shall dismiss the protest."
9. The Protest was timely filed in accordance with G.S. 163-182.9(b)(4)(b) within two business days after the Board's completion of canvass. ("If the protest concerns the manner in which votes were counted or results tabulated and the protest states good cause for delay in filing, the protest may be filed until 5:00 P.M. on the second business day after the county board of elections has completed its canvass and declared the results.")
10. Pursuant to *Election Protest Procedures Guide* published by the North Carolina State Board of Elections ("SBOE") the Board's consideration at this preliminary setting is whether the Protest *on its face* establishes probable cause and the Board is not required to allow individuals to speak. *See generally, SBOE Election Protest Procedures Guide*, last updated November 6, 2020 and 08 NCAC 02 .0114 (2020).
11. Further, North Carolina Administrative Rule 08 NCAC 02 .0114 sets forth several grounds for dismissal of a protest, among which require the Board to dismiss this Protest if it fails to include evidence, which, if true, substantiates the probable occurrence of an outcome-determinative defect in the manner in which votes were counted or results tabulated, or fails to allege facts sufficient to constitute substantial evidence of an outcome-determinative violation of election law, irregularity or misconduct. *See* 08 NCAC 02 .0114 (a) (5) and (6) (2020).

12. Protestor offered no factual evidence to support its allegation that the ABM ballots wrongfully rejected contain any Wake County ballots or information of a Wake County voter.
13. Protestor offered no factual evidence that the Board failed to adhere to SBOE Numbered Memo 2020-22 which required the Board to review the postmark initially and reject any ballot that could not be verified in accordance with SBOE guidance. *See SBOE Numbered Memo 2020-22* (“For remaining elections in 2020, a ballot shall be considered postmarked by Election Day if it has a postmark affixed to it or if there is information in BallotTrax, or another tracking service offered by the USPS or a commercial carrier, indicating that the ballot was in the custody of USPS or the commercial carrier on or before Election Day. If a container-return envelope arrives after Election Day and does not have a postmark, county board staff shall conduct research to determine whether there is information in BallotTrax that indicates the date it was in the custody of the USPS.”)
14. Protestor’s allegation regarding the wrongful rejection of absentee ballots with self-reporting of cure certifications is lacking as it does not have any attestations or verifications. The affidavit submitted does not indicate the run dates or date of files of the exhibits used to make these evaluations.
15. Protestor’s allegation regarding the wrongful rejection of absentee ballots with voter status changes from “voted status” to “rejected status” fails as this indicator is a data management status and not a status approved by the Board.
16. Protester’s allegation regarding the alleged wrongful rejection of provisional ballots concerning Wake County voters appear to be in a pending status, meaning the data was run before provisional ballots were addressed.
17. The Board is obligated to perform such duties under Chapter 163 of the General Statutes, including following directives promulgated by the SBOE or rules and orders of the SBOE. Protestor offered no factual evidence or allegation that the Board failed to adhere to directives or rules issued by the State Board of Elections in the 2020 General Election. *See* G.S.163-33 and G.S. 163-132.4.

IT IS THEREFORE ORDERED, by a unanimous vote of the WAKE COUNTY BOARD OF ELECTIONS that the Protest be dismissed as lacking probable cause required in accordance with G.S. 163-182.10 (a)(1).

This the 24th day of November, 2020.

**08 NCAC 02 .0111 ELECTION PROTEST FORM**

All persons bringing an election protest under Part 4 of Article 20 shall complete and timely file the following form. For the purposes of this Rule, "timely" means within the time required by G.S. 163A-1177(b). Please note this form shall not be used to challenge the registration of an individual voter or to report an incident other than an irregularity affecting the outcome of an election.

**ELECTION PROTEST**

(Use of this form is required by G.S. 163A-1177(c))

This form must be filed with the county board of elections within the timeframes set out in G.S. 163A-1177(b)(4). Please print or type your answers. Use additional sheets if needed to answer the below questions fully. Number the pages of all additional sheets. Please note that filings will be a public record. Please redact all confidential information, such as date of birth, Social Security number, and driver's license number.

Respond to all prompts. Failure to complete this form as required may result in the dismissal of your protest. Attach additional sheets as necessary, including all exhibits and supplemental documents. All attachments are deemed incorporated and covered under the Protest Certification.

**PROTESTOR**

1. Provide your preferred contact information:

Name: Paul Martin Newby ("Protestor") County of Residence: Wake  
Email: paulnewby2020@gmail.com Phone: 919-782-6376  
Mailing Address: 6108 Chowning Court, Raleigh, NC 27612

NOTE: You will be deemed to consent to service at all of the above addresses (including email), unless you attach an addendum indicating otherwise.

2. Are you represented by counsel?  Yes  No

NOTE: If you answered Yes, above, your counsel must complete and you must attach the Counsel Certification Addendum.

3. Mark all that describe you:

- Candidate for the office of Chief Justice of the Supreme Court of North Carolina
- Registered voter eligible to participate in the protested election contest
- Neither of the above\*

\*If you select this option, you are not eligible to file a protest.

**PROTEST SCOPE**

4. List all election contests subject to your protest and calculate the margin of votes separating the apparent winner from the runner-up as of the date of filing. Your response does not waive your right to contest the validity of the current vote count. If your protest concerns all contests on the ballot, you must include the vote margin for each contest.

Protested Contest(s)	Current Vote Margin <small>(subtract runner-up totals from apparent winner's totals)</small>
<i>Example: Mayor of Townsville</i>	<i>75</i>
Chief Justice of the Supreme Court of North	<i>367<sup>1</sup> as of 11:54 a.m. on November 17, 2020</i>

<sup>1</sup> The vote margin is currently 367 in Protestor's favor. Protestor's opponent, however, has sought a recount which could change both the vote totals and the identify of the apparent winner. Thus, due to the deadline for protest running before the result of the recount are known, Protest is filing this Protest in the even that the identity of the apparent winner changes after the recount.

5. This protest alleges (*select at least one*):

- X A defect in the manner by which votes were counted or results tabulated sufficient to cast doubt on the apparent results of the election.
- X A violation of election law, irregularity, or misconduct sufficient to cast doubt on the apparent results of the election.

#### FACTUAL BASIS & LEGAL ARGUMENT

6. Provide all factual allegations in support of your protest. If any fact you allege is outside the scope of your personal knowledge, you may attach affidavits from those who have personal knowledge of that fact. All facts you allege in connection with this protest must be true and accurate to the best of your knowledge, and brought in the sincere belief that the facts alleged form a good faith basis to protest the conduct and results of the election.

North Carolina law conditions eligibility to vote upon being alive on the date of the election, not merely being alive at the time one submits a ballot during the absentee and/or early voting period prior to an election. See, e.g., N.C. Gen. Stat. § 163-82.1(e)(2). As such, a ballot voted either absentee-by-mail or absentee-one-stop is only valid if that voter is still alive on election day. *Id.*

To enforce this requirement, county boards of election ("CBE") are provided with specific instruction by the State Board of Elections ("SBE") on what to do if a voter dies after submitting an absentee ballot but before election day. See *Exhibit A*, SBE Memorandum titled "Reminders for One Stop and Absentee By Mail Challenges," updated on November 2, 2020.

It is Protestor's understanding that some, but not all, counties complied with the SBE's guidance. Specifically, in a well-publicized example of comply with North Carolina law, the Brunswick County Elections Director made sure her own mother's absentee ballot was challenged by she died after submission but before election day. See *Exhibit B*, (StarNews Online, "'Hardest thing I've done' - North Carolina Elections Director Blocked Her Deceased Mom's Ballot," Nov. 17, 2020).

On November 15, 2020, the North Carolina Republican Party requested that the Wake County Board of Elections ("County Board") provide public records reflecting, inter alia: (1) "Total Number of Voters who cast an absentee (by mail or one-stop) or provisional ballot but passed away prior to Election Day," and (2) "Total Ballots removed from vote count because a voter passed away prior to Election Day." See *Exhibit C*. The County Board has failed to respond to this Public Records Request. Moreover, it is Protestor's understanding that neither the November 2, 2020 guidance attached as Exhibit A, nor the number of Wake County absentee voters who died before election day were shared with the Wake County Board of Elections, resulting in those unlawful votes not being challenged, in violation of SBE Guidance and North Carolina law. See *Exhibit D*. Upon information and belief, at least 29 voters in Wake County submitted absentee ballots but were no longer alive on November 3, 2020—an index of these voters is attached hereto as *Exhibit E*.

This protest is being filed in good faith to bring before the County Board the violation of election law or other irregularity or misconduct described herein which the Protestor believes, based on the information reasonably available to the protestor at the time of submission of this protest, may be sufficient to cast doubt on the apparent results of the election. The Protestor reserves the right to modify or supplement this protest as additional information becomes available.

7. List all individuals, if any, you may call as witnesses to substantiate facts listed in Prompt 6. If there are multiple individuals, summarize the facts of which the individual has personal knowledge

8. Protestor may call as witnesses certain members and staff of the County Board who would have knowledge regarding the County Board's efforts with respect to handling the ballots of deceased voters. Protestor may call members or staff of the State Board of Elections who offered guidance to the County Board regarding the ballots of deceased voters. The Protestor may call NCGOP staff and volunteers who investigated the County Board's handling of the ballots of deceased voters.

8. Cite any statute or case, administrative rule or decisions, and election policy or procedure that supports your claim set out under Prompt 5.

N.C. Constitution, Art. VI, §§ 1, 2;  
N.C. Gen. Stat. § 163-82.1;  
N.C. Gen. Stat. § 163-82.14;  
N.C. Gen. Stat. § 163-85; and  
November 2, 2020 SBE Guidance.

#### RELIEF

9. What effect do you believe the facts alleged in response to Prompt 6, if proven, will have on the electoral outcome in the protested contest(s)? Your response should account for the current vote margin calculated in response to Prompt 4.

- The electoral outcome of the protested contest(s) will change.  
 The electoral outcome of the protested contest(s) will not change.  
 I am uncertain whether the outcome of the contest(s) will change.  
 Other: \_\_\_\_\_

The outcome of this protest will change the vote totals for the protested elections. Given the likelihood of a statewide recount in this race and numerous other pending protests and appeals of protests, the Protestor cannot be certain of the effect of this protest on the electoral outcome of the race. Protestor reserves the right to supplement this answer as additional information comes available from the state and county boards of election.

10. What relief do you seek?

- Correct the vote count  
 A new election  
 Other: \_\_\_\_\_

#### ASSISTANCE

11. List all persons who assisted you in preparing the contents of this protest and indicate the nature of the assistance provided:

Counsel, staff, and volunteers with the NCGOP assisted with the preparation of this protest, specifically with gathering factual support concerning County Board actions regarding deceased voter ballots and cross-referencing vital records with absentee voter records.

Note: For protestors represented by an attorney, this protest is the initial filing in a proceeding as defined by N.C. State Bar Rules. See 27 N.C.A.C. 02 Rule 1.00(n).

12. Has any candidate, political party, organization, or person acting on behalf of the same requested that you bring this protest?

- Yes  
 No

13. Have you received any financial or other benefit or promise of future financial or other benefit in exchange for filing this protest?

Yes

No

#### AFFECTED PARTIES & SERVICE

I remember when Bernie and I drove to Toronto, Canda together for Aunt Natalie's funeral. She was able to see her cousins that she hadn't visited for a long time. We had pleasant conversations along the way and she was surprised that I knew how to get to everyone's house. There wasn't a google map at the time. She also thanked me for driving. I'm glad I was able to see her in North Carolina when I lived there.

# Phillip Henry Griffin

SEPTEMBER 25, 1950 - OCTOBER 31, 2020

*Phil was born in Raleigh, NC on September 25, 1950, the son of Henry and Phyllis Griffin. He died on October 31, 2020, suddenly and unexpectedly at his home in Raleigh.*

**H**e was predeceased by both parents and the grandmother who raised him, Anne Beasley.

He is survived by his wife of forty-six years, Harriette, two children, Alice Griffin and David

Griffin both of Raleigh and his granddaughter Emma Hallam, also of Raleigh, and he leaves behind his cherished sister, Bonnie Denkins of Garner, NC. Also surviving are a step-mother, Anne Griffin of RI, sisters, Marian Passmore of FL and Pam Henrique of RI, and numerous nieces and nephews.

Phil was raised by his beloved Granny in what he fondly called “pre-Historic Oakwood”. He attended Raleigh Public Schools and graduated in 1969. During his 20s, he pursued a career as a musician, started a small siding business, held a variety of jobs, and enrolled in NCSU, where he completed a BS in Computer Science in 1984. Phil worked as programmer for several years developing expertise in ASN-1, a cryptographic messaging tool widely used in telecommunications, computer networking and cryptography. In 1994 Phil started his own consulting firm, Griffin Consulting Company. From 2007 to 2009 he worked as a Senior Managing Consultant with IBM. In 2011 Phil earned a MS IT in Information Assurance and Security at Capella University. From 2014 until the time of his death, Phil worked at Wells Fargo Bank where he was a VP and EISA Systems Architect. Wells Fargo awarded him the Tesla Award for Innovation in 2016 and he was inducted into the Wells Fargo Inventor Hall of Fame in 2018.

Phil was a CISM and ISSA Fellow with over 25 years of information assurance experience. He served as a trusted security adviser, security architect, and consultant with leading corporations, and acted as committee chair, editor, and head of delegation in the development of US national and international security standards. Phil served on the ISSA Educational Advisory Council and the ISSA Journal Editorial Advisory Board, and actively participated in ITU-T SG17 Security, ISO TC68/SC2 Security, ISO/IEC JTC1/SC27 Security techniques, and X9 Financial Services standards development. His current work encompassed encryption technologies, access control, and biometric information security management. Phil had 40 U.S. patents awarded at the time of his death covering the intersection of biometrics, blockchain, cryptography, RFID, and information security. He had twenty-five academic and professional technical publications and had spoken at leading security conferences around the world. In May of 2013 his paper, “Telebiometric Information Security and Safely Management” won second prize at the ITU Kaleidoscope 2013 Conference held at Kyoto University in Japan. In December 2019 his paper, “Thought-Based Authenticated Key Exchange”, won the best paper award at the ITU Kaleidoscope 2019 Conference in Atlanta, GA.

Phil was a highly motivated, intelligent and creative person who held strong opinions about human rights and the state of the country and world. He was an informed progressive, and a compassionate person who was proud of his children and granddaughter and loved that they were the kind caring people that they are. Phil had an

affinity for children and animals that they returned; and he loved all of his nieces, nephews, great-nieces and great-nephews, some of whom fondly called him Uncle Grandpa Phil. He had an amazing sense of humor and an exuberant charismatic personality that is already greatly missed. Phil's family, friends' and colleagues' lives have all been enriched by knowing Phil.

1929 - 2020

Betty Debnam Hunt

Oct. 23, 1929 – Nov. 1, 2020

Raleigh

Betty Glass Debnam Hunt, the teacher turned journalist who created and edited the nationally syndicated educational newspaper for kids – The Mini Page – died Sunday, Nov. 1, in Raleigh after a brief illness.

Betty was born on Oct. 23, 1929 in Norfolk, Va. Her parents were Stella Glass Debnam and Waldemar Eros Debnam. She and her family moved to

Raleigh in the early 1940's, and it was at that time they joined Hayes Barton United Methodist Church. Betty attended Hayes Barton Grammar School and Needham Broughton High School. She graduated from Saint Mary's High School and Saint Mary's Junior College in Raleigh, from the University of North Carolina at Chapel Hill with a degree in political science, and from Duke University with a master's degree in education.

She was an advertising copywriter for Thalhimers in Richmond, Va., and taught second grade in Chesterfield County, Va. She returned to Raleigh to serve as alumnae secretary for Saint Mary's High School and Junior College. She then taught first and second grade in Wake County for 10 years and it was at that time that her special interest in teaching reading began to merge with her family's history in journalism.

Her grandfather, J.E. Debnam, founded The Standard-Laconic, a weekly newspaper in Snow Hill. Her grandmother, Birdie Speight Debnam, took over and ran the paper for 28 years after the death of her husband. In Betty's early years, while visiting in Snow Hill, she would go out with her grandmother as she gathered stories, sold ads and renewed subscriptions for the paper. Betty was immensely proud when her grandmother, Birdie, was elected to the North Carolina Journalism Hall of Fame in 2003. Her grandmother taught her about the importance of meeting deadlines.

Her father, W. E. Debnam, was a well-known newspaper reporter, editor and radio and television reporter. From her father, she learned the importance of reporters respecting sources. Her mother, Stella Debnam, became a wonderful Mini Page supporter.

While teaching in Wake County, Betty had the idea of combining education and journalism into a newspaper for kids and approached The News & Observer about publishing it. She always gave special thanks to the late Dave Jones, associate publisher of the newspaper who as

advertising manager gave her the chance to launch The Mini Page. The first edition was published in The News & Observer on Aug. 31, 1969.

For many of the Mini Page early years, Betty worked as the sole member of the staff as the editor, reporter, artist, salesman, and bill collector.

In 1978, Betty married Col. Richard M. Hunt, a former Marine aviator who worked in Washington, D.C. in government affairs. Betty moved The Mini Page office to Washington where she and Richard enjoyed life in the nation's capital and traveling to many interesting countries while "on assignment" for The Mini Page.

As The Mini Page grew in popularity, others joined the staff. Betty remained grateful for the work they did to make the Mini Page a success, including Martha Youngblood, Ainslie Jones Uhl, Tali Denton, Lyn Kirby, Julie Gross, Lucy Lien, the late Wendy Daly, and the late Ann Chamberlain.

Betty always felt that Universal Press Syndicate excelled at selling The Mini Page to newspapers across the country. She remained thankful to her editor of over 20 years, Alan McDermott, for his guidance and assistance. At one time, more than 500 newspapers published The Mini Page.

Betty served as editor of The Mini Page for 37 years. She sold The Mini Page to Universal Press Syndicate in 2007. The complete collection of over 2,000 issues of The Mini Page is online as part of the Southern Historical Collection at The Wilson Library at the University of North Carolina at Chapel Hill.

Betty strongly believed that The Mini Page gave newspapers a chance to step into the field of elementary education and that elementary education

could start at any age. She once said, "I want to be remembered as an educator. One who brought powerful content to children."

The achievements of Betty and The Mini Page in using journalism to deliver education to children garnered a long list of awards.

The Mini Page received awards from the Newspaper Association of America, The American Library Association, The American Chemical Society, The Freedom Foundation, the U.S. Department of the Interior, The Association of Educational Publishers, The Newspaper of America Foundation, The Educational Publishers Association, The Education Department of East Carolina University, The James T. Grady-James H. Stack Award for Interpreting Chemistry for the Public, The Public Service Award from the International Reading Association, the N.C. Department of Natural and Cultural Resources, and the Celebrate Literacy Award from the N.C. Reading Association.

For her accomplishments in journalism, Betty was inducted into The Newspapers in Education Hall of Fame, the N.C. Journalism Hall of Fame, and the Raleigh Hall of Fame; received Distinguished Alumnae Awards from Saint Mary's School and the University of North Carolina at Chapel Hill; and was a recipient of the North Carolina Award, the state's highest civilian honor.

Betty's personal interests included painting, reading and visiting her cottage at Atlantic Beach. She loved to entertain and never missed checking out a new restaurant.

Betty was preceded in death by her husband; her parents; her twin brother, Dr. William S. Debnam, and his wife Judy; nephew, Billy Debnam; step-daughter, Joan Brook Nolan of California and husband Jack; and great-nephew, William Denton.

She is survived by her three nieces and their families, including Tali Denton (Van) of Raleigh; Lyn Kirby (David) of Raleigh; and Julie Gross (Chris) of Austin, Texas; her step-granddaughter, Jeannette Foltz (Gene) of Norco, California and their children; her sister-in-law, Joan Hunt of Plymouth, Ind.; and her godson, Hart Huffines (Margot) of Raleigh.

Betty wanted to give a special thank you to the people who helped her through the years, including Annie Mae Parker of Greenville, Marie Denning of Raleigh, Helen Graham of Raleigh, Bunny Russell of Atlantic Beach, Buck and Shirley Coleman of Washington, D.C., and Mary Coleman of Woodbridge, Va. The family would like to thank the wonderful team of caregivers from HomeWerks that took such loving care of Betty during her last days.

A private memorial service will be held at Hayes Barton United Methodist Church. The service will live streamed on Tuesday, November 10th, beginning at 1:00 pm at [www.hbumc.org/live](http://www.hbumc.org/live).

In lieu of flowers, memorials may be made to the Wee Care Children Enrichment Program, HBUMC, 2209 Fairview Rd., Raleigh, N.C. 27608.

PLAY TRIBUTE MOVIE

**I**t is with great sadness we announce the passing of Kevin Sean LeCount of Raleigh, NC at the UNC REX Hospital in Raleigh on Sunday, October 4, 2020 after a five-year battle with leukemia. Kevin was 3 days shy of his 47th birthday.

Kevin was born on October 7, 1973 in Metairie, LA. He was the son of James Kevin LeCount and the late Mary Francis Naquin, (nee Guidry). Kevin grew up in Bayou Gauche, LA. He graduated with honors from Hahnville (LA) High School and attended Louisiana State University where he graduated with a bachelor's degree in Political Science. Soon

after leaving LSU, Kevin, a devout Democrat, moved to Tarboro, NC, where he worked as a political campaign manager for several candidates for public office. He moved to Raleigh in 2000, where he could better serve his clients. He was known for his steadfast approach to political campaigns, knocking on doors, writing campaign emails, but most importantly, his passion for helping people. Kevin started working for the State Employee's Association of North Carolina in 2006, where he played a pivotal role in establishing EMPAC, SEANC's political action committee, as a political force in North Carolina. He also built many strong relationships with members in his time with the association. He was remembered for his warm smile and quick wit, and his dogged approach to fighting for working families throughout his career. Kevin left SEANC in the fall of 2016 to focus on his battle with leukemia and raise his beloved son, Nathan. He bravely fought the disease just as he fought for SEANC members.

Kevin was a diehard LSU Tigers fan and a devoted supporter of the Who Dat Nation (New Orleans Saints). He was delighted by the Saints win in Super Bowl XLIV and LSU's 2019 Undefeated National Championship Season. Kevin's biggest frustration was that his father was a Conservative Republican and, try as he might, was never able to sway those conservative views.

Kevin did not let his career overshadow his passion and pride for his son, Nathan. Kevin was a Chief of Nathan's Y Guides crew, President of the Lakemont Swim & Tennis Club where he avidly followed Nathan's participation on the swim and tennis teams. They enjoyed attending church, camping, fishing, hiking and any activity that gave Kevin time with Nathan. Kevin was deeply religious and his faith in God never faltered throughout his lengthy ordeal with leukemia. He was a member of the Vestry for the Church of the Good Shepherd Episcopal in Raleigh.

Kevin is survived by his beloved husband and best friend, Adam G. Harmless (Raleigh, NC); son, Nathanael F. LeCount; father, James Kevin and mom, Elizabeth A. LeCount (Lumberton, MS); sister, Amanda L. LeCount, her fiancé, Alan B. Cisco (New Orleans, LA); stepbrother, John P. Wilson II, wife Christy (Purvis, MS); his beloved Aunt Cynthia L. LeCount (Metairie, LA); Uncle Darin and Aunt Laurie LeCount (Belle Chasse, LA); niece, Alissa M Stutzman, nephew, Aiden M Stutzman, niece, Reese E Wilson; and cousins, Sarah

Franz and Logan E LeCount. He will be dearly missed by his extended family and many friends.

Kevin was predeceased by his Mother, Mary Francis Naquin; paternal grandparents, Elmer

(Poppy) and Lucile (Gran) LeCount and his cherished pet dog, Jasmine.

A private memorial service will be held at the Church of the Good Shepherd Episcopal, 125 Hillsborough St. on Saturday, October 10, 2020 at 10:00 am. The family has arranged for services to be live streamed at the following link - <https://youtu.be/c0yuC6h8fgY>. We have provided a hyperlink to the recorded service below under Donations as well.

His remains will be entombed in the church columbarium immediately following the service.

In lieu of flowers, it was Kevin's wish that memorial donations be made in his name to: The Leukemia & Lymphoma Society - <https://donate.lls.org/lls/donate> or The Church of the Good Shepherd - <http://www.cgs-raleigh.org/>

OBITUARY

*Col. Joseph (Joe) Mayon  
Parker*

OCTOBER 11, 1931 - OCTOBER 26, 2020

**C**ol. Joseph (Joe) Mayon Parker, 89, a native of North Carolina and a resident of Raleigh, passed away on October 26, 2020. He was preceded in death by his wife, Laretta Owen Dyer Parker, mother Mildred Poe Parker and father James Mayon Parker. Joe was born on October 11, 1931, in Washington, NC and lived

in Windsor, NC until the age of 3. His family later moved to Ahoskie where he and Laretta raised their family.

Joe graduated from Ahoskie High School in 1949. He attended Davidson College for 2

years and earned his undergraduate degree and in 1992 a Master's in Public Administration from the University of North Carolina at Chapel Hill.

While in Ahoskie, Joe ran Parker Brothers, Inc., a Printing and Publishing Company, which published the Hertford County News-Herald, and the papers in several surrounding counties. Joe eventually acquired full control of the company which continued to grow under his leadership, at one point publishing as many as seven community newspapers in northeastern North Carolina and southeastern Virginia. For many years, he wrote a weekly column for the papers.

Joe worked tirelessly to promote economic growth in northeastern North Carolina serving on numerous local and state boards. As a member of the East Carolina University Board of Trustees he helped bring more and better health care to eastern North Carolina with the establishment of what is now the Brody School of Medicine.

Joe met his wife, in Pittsburgh, PA while he attended a printing management program at what is now Carnegie Mellon University. They were both members of the Roger Williams Fellowship, a Baptist student group. They especially enjoyed their many dates watching the Pirates play and dining on Italian food.

In 1993 Gov. Jim Hunt appointed Joe to head the Governor's Highway Safety Program whereby Joe brought the "Click It or Ticket" and "Booze It and Lose It" programs as we all know them today to North Carolina, along with many other safety initiatives. In 2018 and 2019, he was honored with special awards for his work during his 8 years as the leader of the program.

Joe's military career extended into a lengthy commitment to his country by serving two years in the U.S. Army in Fort Jackson, South Carolina. He then served in the National Guard for 31 years. During his career, he attended both the U.S. Army Command and General Staff College and the Army War College and in the late 70s and early 80s he led the guard's state public affairs division in Raleigh.

Joe was active throughout his life in the Democratic Party. He served on the party's state executive committee, and in 1980 he was a delegate to the Democratic National Convention. His last act was to vote in the 2020 election. He gathered his remaining strength to loudly and proudly declare his votes for Democrats- local, state, and national.

For as long as his health allowed, he attended his weekly Rotary lunch meetings. He was proud to be recognized as a Paul Harris fellow and always looked forward to his weekly fellowship time with his fellow Rotarians. As time passed going to Rotary became a highlight of his week. He could always deliver a “beautiful prayer” as part of the meetings.

Joe loved his church and the Lord. He was baptized into the Ahoskie First Baptist Church at the age of 9. A special highlight Joe always carried with him was leading other boys his own age to accept Christ and join the church. After they were married, he and Laurretta joined Ahoskie United Methodist Church. In Raleigh, they became members of Hayes Barton United Methodist Church. While at Hayes Barton, Joe served for 15 years as Chairman of the Communication Committee for the NC Conference of the United Methodist Church. He also traveled on various mission trips to Guatemala, Nicaragua and Africa.

Joe and Laurretta loved traveling and seeing the world and some of their trips included South Africa, Victoria Falls, Russia and Zambia. One of their favorite over-sea trips was

I am saddened to hear of the loss of a great friend. Martin was first our neighbor, then became a great friend. I remember one hot summer day he backed his truck around by the back door and unloaded a full truck-bed of corn. I asked him 'what in the world are you doing?' With a twinkle in his eyes, he simply said 'thought you needed a little corn for the table.' He was a friend, a neighbor, and would help you in anyway he could. He will be missed by many!

### Reminders for One-Stop and Absentee by Mail Challenges

March 2, 2020  
updated November 2, 2020

This document serves as a reminder regarding procedures for challenges of one-stop ballots and absentee by-mail ballots that need to be challenged on Election Day. It includes the basic steps and answers to recently asked questions about specific situations that have arisen.

For those situations below where disapproving the ballot is needed, if your board has already acted on the one-stop application in question and did not disapprove it, your board still needs to follow the challenge procedures below.

**As a reminder, the qualification for all voters, including absentee voters, are judged as of Election Day. See G.S. 163-226. Additionally, the only method to retrieve and discount the ballot of an absentee voter is through a timely and successful voter challenge. To dispute the ballot of a voter who has already cast a ballot through absentee voting, a timely challenge must be brought.<sup>1</sup> Any challenge to a voter's ballot cast at a one-stop site must be brought by Election Day. G.S. 163-89.**

#### Processes for Disapproving One-Stop Application and Challenging the Absentee Ballot

##### 1. Disapproving the One-Stop Application:

- a. If a county board finds that a voter was not qualified to cast an absentee ballot or finds that the voter was not qualified to cast the ballot issued, at its absentee board meeting the county board must disapprove the one-stop absentee application and notify the voter by first-class mail addressed to the voter at that voter's residence address and at the address shown in the application for absentee ballots. The letter should include the reason for disapproval.
- b. In some instances, the voter should be given the opportunity to vote a provisional ballot on Election Day (because, for example, the voter was given an incorrect ballot style or was erroneously allowed to change party affiliation during One-Stop), the county board should contact the voter via phone immediately to notify them of this option.
- c. The board must also enter a challenge. G.S. 163-227.2(d).

<sup>1</sup> See, for example, Numbered Memo 2012-28 and Order In the Matter of: Consideration of Certain Legal Questions Affecting the Authentication of the 2016 General Election.

## **2. Challenging the Absentee Ballot:**

- a. Entering the challenge. **Use one of the following options:**
- (1) **At the absentee board meeting on Election Day, the board must enter an official challenge to the absentee ballot. Please be mindful that if your board waits until 5PM on Election Day to begin its meeting, it will be too late for the board to enter a challenge on an absentee ballot; or**
  - (2) The chief judge of the precinct in which the voter is registered enters the challenge at the polling place at the time of close of the polls; the chief judge should use the challenge form to enter the challenge and attach any relevant evidence. If the chief judge is not a resident of the precinct, the challenge should be made by a judge or assistant who is a resident of the voter's precinct. G.S. 163-89. Prepare Notice of Challenge and other materials. NOTE: If the chief judge is to challenge the ballot at the close of the polls on Election Day, the CBE should prepare the Notice of Challenge and other materials (i.e. Incident Report, witness statements, etc.), and provide the materials to the Chief Judge to ensure the challenge is made timely.
- b. Hearing. The board shall hold a hearing on the challenge on the day set for the county canvass. The voter whose ballot is being challenged must be notified (preferably via first-class mail) in advance of the hearing, the reason for the challenge, and the date and time of the county canvass.
- c. If the challenge to the absentee ballot is sustained, the board shall direct county board staff to retrieve the challenged one-stop absentee ballot.
- d. The board shall complete a tally sheet to deduct the votes cast on the full ballot or shall deduct the votes cast for any ineligible contest (if the voter has not returned to vote a provisional ballot).
- e. The board shall direct staff to add a manual edit to the proper precinct results in the one-stop reporting group to deduct any ineligible votes that were recorded on the results tally sheet.
- f. The staff shall then print two copies of the manual edit report and attach one report to the tally sheet and one report to the official canvass report.
- g. The challenged ballots and the accompanying tally sheet and a copy of the manual edit report shall then be sealed by the board and separated from the other absentee ballots.
- h. The official canvass reports shall be provided to the State Board of Elections pursuant to G.S. 163-182.6.
- i. The board shall prepare a supplemental absentee abstract in accordance with G.S. 163-234(6) and provide it to the State Board of Elections.

## Answers to Recently Asked Questions

**1. A person who is serving an active felony sentence registered to vote using same-day registration and casts a ballot during one-stop voting. What should the CBE do?**

- Create an Incident Report
- Follow the **Process for Disapproving One-Stop Application and Challenging the Absentee Ballot** above.
- Report to Investigations at NCSBE via a Help Desk ticket. Include the OS application, incident report, and any other documentation.
- Deny voter registration. G.S. 163-82.7. Once the CBE resolves that the applicant is not qualified to vote due to felony conviction, the board shall send, by certified mail, a notice of denial of registration. The notice of denial shall contain the date on which registration was denied, and shall be mailed within two business days after denial. Any applicant who receives notice of denial of registration may appeal the denial within five days after receipt of the notice of denial. Keep a physical copy of the denial letter and certified mail notice. Attach a copy of the denial letter to the voter record.

**2. An existing registrant has been flagged for removal due to active felony status and has cast a ballot during one-stop voting. What should I do?**

- Create an incident report.
- Follow the **Process for Disapproving One-Stop Application and Challenging the Absentee Ballot** above.
- Report to Investigations at NCSBE via a Help Desk ticket. Include the OS application, incident report, and any other documentation.
- Follow the 30-Day Removal Notice pursuant to G.S. 163-82.14(c)(3). The felony conviction list maintenance process can be found in the SEIMS Help Files.

**3. A voter has submitted an absentee by-mail ballot and votes at a one-stop site. What should I do? *Please see special notes for Cured-Accepted ballots as well as managing this type of situation across counties.***

- The CBE should count the legal vote, and disapprove and challenge the other absentee vote. It is up to the board to make the determination of which vote should be counted.
- If the board determines the one-stop vote was ineligible:
  - Create an incident report.
  - Follow the **Process for Disapproving One-Stop Application and Challenging the Absentee Ballot** above.
  - Report to Investigations at NCSBE via a Help Desk ticket. Include the OS application, incident report, and any other documentation.
- If the board determines the absentee by-mail vote was ineligible:
  - Create an incident report.
  - Disapprove the absentee ballot. G.S. 163-230.1(f).
  - If the envelope was not opened and the ballot not tabulated, a challenge is not required.

- Inform the voter the application was disapproved.
- If the ballot had been approved and inserted into the tabulator, the ballot will need to be challenged. Follow the process for Challenging the Absentee Ballot.
- Report to Investigations at NCSBE via a Help Desk ticket. Include the container-return envelope, incident report, and any other documentation
- **Is the process different if the absentee ballot was considered deficient pending cure and then was Approved-Cured?**
  - The process is ultimately the same. The CBE will count the legal vote, and disapprove and challenge the other absentee ballot.
  - You will still be required to send notice to the voter. A template is provided with this email.
- **What is the process if the ballots were voted in two different counties by the same voter?**
  - You will need to work with the other county to determine where the voter is eligible to vote.
  - Based on that information one county will be required to issue a challenge to the ballot submitted in their county.

**4. A one-stop employee accidentally provided a ballot style to the voter that the voter was not eligible to vote. The voter voted that ballot. What should I do?**

- Create an incident report.
- Follow the **Process for Disapproving One-Stop Application and Challenging the Absentee Ballot** above.
- If there is time, contact the voter and allow the voter to come in person on Election Day to vote a provisional ballot with the correct ballot style. The board should count the provisional ballot if the voter is otherwise eligible to vote that ballot. If the voter does not return, count any contests on the ballot that the voter was eligible to vote in.

**5. A voter dies after voting absentee (one-stop or by mail) but before Election Day. What should I do?**

- Before disapproving the absentee application based on belief that the voter is now deceased, you would need to do the following:
  - Receive official notice of deceased voter. Sources include the DHHS List Maintenance Reports, death certificate from the local register of deeds, or written, signed notification from a near relative.
- If absentee by-mail, you will not need to challenge the ballot (because it has not been placed in the tabulator) unless the application has already been approved by the board.
- If absentee by-mail application has already been approved by the board or if the voter voted during One-Stop, follow the **Process for Disapproving One-Stop Application and Challenging the Absentee Ballot** above.

- Remove voter pursuant to G.S. 163-82.14(b). Notice to the deceased voter's address is not required.

**6. A voter registers to vote at a one-stop site and the two voter cards sent pursuant to G.S. § 163-82.7 are returned as undeliverable prior to Election Day. What should I do?**

- Previously, a voter who same-day registered and had both mail verifications returned as undeliverable prior to Election Day would have their ballot challenged. See G.S. § 163-82.7(g)(1).
- However, a 2018 federal court order prohibits any voter challenges from being brought without individualized knowledge within 90 days of a federal election. The order specifically states that the mere fact that mail was sent to a voter and returned as undeliverable did not constitute individualized evidence and therefore is prohibited. As a result, the voter's ballot must be counted if otherwise eligible and cannot be challenged on the basis of returned voter cards without individualized evidence that the voter is not a resident of the county. See Numbered Memo 2018-07 for more information.

**7. Voter inserted their absentee by mail ballot into the tabulator at a One Stop Site**

- Create an incident report
- Retrieve and secure the ballot
- Mark the absentee as SPOILED as it was returned without an application/certificate and will need to be reissued.
- Notify the voter and let them know they may complete the reissued ballot or vote OS or ED
- Challenge the ballot on Election Day
- Conduct hearing and remove the vote totals at canvass

**8. Voter Submitted an absentee by mail and subsequently moved to a new county. Voter has contacted your county to find out what they need to do.**

- If the voter moved less than 30 days prior to election day, they don't need to do anything. They are still eligible to vote in your county and the ballot they submitted stands.
- If they moved 30 or more days prior to Election Day, they are no longer eligible to vote in your county. However a 2018 federal court order prohibits any voter challenges based on residence from being brought without individualized knowledge within 90 days of a federal election. The voter will need to submit a cancellation in your county, or the voter will need to register in the new county. Then you can challenge the ballot, notify the voter, and hear the challenge at canvass in order to deduct the vote totals.
- *IF* the voter submits a cancellation in your county, you may direct them to register and vote in their new county.

**9. Voter mails their ballot and votes on Election Day. Mailed ballot is received by the CBE timely but after Election Day**

- For absentee ballots received after 5:00 p.m. on Election Day, the challenge shall be filed between noon on the day after the election to 5:00 p.m. on the next business day following the deadline for receipt of such ballots.
- It is critical to complete voter history as soon as possible in order to identify this issue.

**10. PRIMARY: A registered voter affiliated with a political party can't be found during check-in and uses same-day registration to re-register with a different party. What should I do?**

- Process the voter registration application. If you have already "linked" the registrations, you will need to "unlink" the registration in order to be able to deny the new registration without removing the prior voter registration. Please put in a Help Desk ticket if you need assistance.
- Follow the **Process for Disapproving One-Stop Application and Challenging the Absentee Ballot** above.
- Contact the voter and let the voter know that they can vote the correct ballot provisionally, which the board would consider during canvass.
- If the challenge is sustained at canvass, the ineligible ballot should be retrieved and the vote counts deducted. This could result in a partial count if there is an eligible contest on the ineligible ballot (bond, nonpartisan board of education, etc.) and the voter has not returned to vote a provisional ballot.

**11. PRIMARY: A registered voter is registered as Unaffiliated. The voter's record can't be found during check-in so the voter re-registers with a political party. What should I do?**

- Process the voter registration application. If you have already "linked" the registrations, you will need to "unlink" the registration in order to be able to deny the new registration without removing the prior voter registration. Please put in a Help Desk ticket if you need assistance.
- The voter has received an eligible ballot based on their UNA registration status so there is no need to disapprove or challenge.
- Check with voter after the election to determine if they did want to change party affiliation

# 'Hardest thing I've done' — North Carolina elections director blocked her deceased mom's ballot

*Anne Ashcraft legally cast her absentee ballot but died before Nov. 3. The law says all voters must be alive on Election Day.*

**Paul Woolverton** USA TODAY NETWORK

Published 6:05 a.m. ET Nov. 17, 2020 | Updated 10:33 a.m. ET Nov. 17, 2020

## Story Highlights

An effort to change the law was squashed in 2014.

The integrity of the 2020 election became especially personal for Brunswick County Elections Director Sara Knotts on Friday when she had to ask her elections board to reject her mother's ballot.

Knotts felt obligated to do this because her mother had submitted an absentee ballot in September, then died on Oct. 11, several weeks before the Nov. 3 Election Day.

North Carolina election law requires voters to be alive on Election Day. This includes voters who cast their ballots early by mail-in absentee ballot or via in-person early voting.

The Brunswick County Board of Elections voted unanimously to remove the absentee ballot of 62-year-old Anne Ashcraft of Winnabow because she was deceased as of Nov. 3 and therefore not qualified to participate in the election..

"Hardest thing I've done as an elections administrator: present a challenge against the absentee ballot cast by my mom," Knotts tweeted Friday afternoon.

***More vote-counting news:*** *NC misreported votes in two counties as state Supreme Court race remains tight*

Ashcraft died of a brain cancer called glioblastoma, Knotts said. This is the same cancer that killed Republican U.S. Sen. John McCain of Arizona and Beau Biden, son of Democratic President-elect Joe Biden.

“Honestly, when she was voting her ballot, she was under hospice care. So I knew that she may not be alive on Election Day,” Knotts said on Monday.

She added that she briefly considered encouraging her mom not to vote — “just for, to not to have the red tape” — but Knotts knew that voting was important to Ashcraft.

“So I just kept my mouth shut,” Knotts said, and never told her mother about the election law that could get her ballot removed.

“But I knew after she submitted it that if she passed away, I was going to challenge it,” Knotts said. “Just because I know how contentious this election was, and how much the talk in the media was about how you can’t trust the election process. I think just to maintain the integrity, I knew I was going to have to remove it if she passed away before Election Day.”

## **Board takes case**

Ashcraft’s ballot was accepted on Sept. 29, 12 days before she died.

When the Brunswick County Board of Elections took up Ashcraft’s ballot on Friday, Knotts stepped aside and had another elections staff person present the case.

Board members on Friday praised Knotts for her honesty just before they took the vote.

“For the folks in the audience, and perhaps for the press: You might not have had recognized the name of ‘Sara Anne Ashcraft.’ It’s Sara’s mother. And Sara actually brought this challenge,” said Board Member Randy Pelton. “And I think that speaks volumes to her integrity and the integrity of the elections staff here in Brunswick County. Thank you very much for your burden, Sara.”

Chairman Boyd Williamson said he was proud to be associated with Knotts and the staff.

The comments cheered Knotts, she said, after seeing so many people bad-mouth elections workers and the process.

“It’s hurtful when members of the public try to undermine what we do by saying things they don’t fully understand,” Knotts said.

She said she was determined to avoid providing any ammunition to the critics who allege dead people are voting.

“I was like: I am not going to let my mom’s voting become something that people use to say that my office is not — you know — fully transparent, and that we allow things like that to happen. I just couldn’t do it,” Knotts said.

Nine other Brunswick County ballots were challenged and rejected on Friday.

Knotts said some people had voted twice. A couple may have been confused on whether their absentee ballots had been counted, she said, and another appears to have dementia.

A voter missed a residency deadline to qualify to vote in this election, Knotts said, and some voted while on parole for felony convictions. State law says felons can't vote until their punishment, including probation or parole, is complete. But a judge recently ruled that some felons in North Carolina — though not all — are allowed to vote while on probation or parole.

## **Change the law?**

The question has come up before on whether North Carolina should count the ballots of people who die before Election Day after they lawfully cast their ballots in early voting or via absentee ballot.

In 2014, election officials in Forsyth County had to reject the absentee ballot of Everette Harris — father of Republican U.S. Senate candidate Mark Harris — because Everette Harris had died after submitting his ballot, WRAL reported.

After the May primary, then-N.C. House Speaker Thom Tillis, who Mark Harris had run against in the May primary, tried to pass a law to ensure that these ballots would be counted. Tillis (who now is in the U.S. Senate and won reelection on Nov. 3) called his proposal the “Absentee Ballot/Everette Harris Act.”

The bill passed the state House 115-0 and was sent to the state Senate, where it was buried in a committee without ever getting a hearing.

Ok. I read up on the challenge law last night. It was a bit confusing if Absentee / Early Voting was a Challenge before Election Day or on Election Day, since we have already accepted these. I assume this happens every election, but in the few elections I've been on the Board I do not recall any. Is it up to citizens to find these in the data and Challenge or does the county find them and challenge?

I did some research on the people on the list. Many are now deceased, they died after they voted. Very sad, but don't you have to be living on Nov 3, Election Day?

I was just sent a list of 21 voters with Wake By-Mail ballots that have been accepted but show no Precinct of registration, Congressional, or Legislative District. I checked many of these names and they show "Removed" in Voter Search.

Can you tell if these voters ballots were approved at a Board Meeting, but somehow the data file is missing information? And why would they be listed as removed in voter search.

I will be glad to inquire to the SBOE if that is who I should ask.

WAKE COUNTY OF NORTH CAROLINA  
WAKE COUNTY

BEFORE THE WAKE COUNTY BOARD OF ELECTIONS

IN RE: PROTEST OF JUSTICE PAUL )  
MARTIN NEWBY )  
)  
)

**ORDER**

THIS MATTER CAME BEFORE THE WAKE COUNTY BOARD OF ELECTIONS (“Board”) for a preliminary hearing on November 23, 2020 in an election protest (“Protest”) filed pursuant to G.S. 163-182.9, by Justice Paul Martin Newby (“Protestor”), a candidate in the Chief Justice of the North Carolina Supreme Court, to determine whether there was probable cause sufficient to schedule a protest hearing in the Chief Justice of the North Carolina Supreme Court contest (“Contest”).

The Board having considered the written submissions from the Protestor, as well as relevant statutes, hereby finds, concludes, and orders as follows:

FINDINGS OF UNDISPUTED FACTS

1. Protestor is one of two candidates for the election of Chief Justice of the North Carolina Supreme Court in the November 3, 2020 general election and is a registered voter in Wake County, North Carolina.
2. Protestor filed an election protest with the Board on November 17, 2020, pursuant to G.S. 163-182.9. The Protest alleges that: a) there was a defect in the manner by which votes were counted or results tabulated sufficient to cast doubt on the apparent results of the election, and b) a violation of election law, irregularity, or misconduct sufficient to cast doubt on the apparent results of the election.
3. At the time of the filing of the Protest, the current vote margin for the Contest was as follows:

Chief Justice of the Supreme Court of North Carolina – 367 votes

4. Protestor specifically alleged that at least 29 absentee ballots were cast by voters in Wake County who were no longer alive on Election Day, November 3, 2020, and that under N.C. Gen. Stat. § 163-82.1(c)(2) these ballots are deemed invalid.

5. Protestor further alleged that because “neither the November 2, 2020 guidance [from the State Board of Elections’ attached as Exhibit A, nor the number of Wake County absentee voters who died before Election Day was shared with the Wake County Board of Elections,” these absentee ballots were not challenged and as a result were unlawfully included in the total vote count.
6. The Protestor attached as exhibits to the Protest the referenced guidance issued on November 2, 2020 from the State Board of Elections (SBOE), a Star News article dated November, 17, 2020, a public records request submitted to the Board on November 15, 2020, email correspondence exchanged between a Board member and the Board’s Executive Director between October 18-19, 2020, a compilation of online obituaries and a list of 33 individuals alleged to be deceased Wake County voters.
7. Protestor further alleged that given the statewide recount of this Contest and pending protests and appeals of protest, it was uncertain whether the Protest would alter the outcome of the Contest subject to this Protest.
8. The Board held this preliminary consideration hearing on November 23, 2020 following its canvass for the November 3, 2020 general election.

#### CONCLUSIONS OF LAW

9. The Board has jurisdiction over this matter pursuant to G.S. 163-182.9.
10. Pursuant to G.S. 163-182.10(a)(1), the Board shall, “...as soon as possible after the protest is filed, meet to determine whether the protest substantially complies with G.S. 163-182.9 and whether it establishes probable cause to believe that a violation of election law or irregularity or misconduct has occurred. If the board determines that one or both requirements are not met, the board shall dismiss the protest.”
11. Pursuant to *Election Protest Procedures Guide* published by the SBOE, the Board’s consideration at this preliminary setting is whether the Protest *on its face* establishes probable cause and the Board is not required to allow individuals to speak. *See generally, SBOE Election Protest Procedures Guide*, last updated November 6, 2020 and 08 NCAC 02 .0114 (2020).
12. North Carolina Administrative Rule 08 NCAC 02 .0114 sets forth several grounds for dismissal of a protest, among which require the Board to dismiss this Protest if it fails to include evidence, which, if true, substantiates the probable occurrence of an outcome-determinative defect in the manner in which votes were counted or results tabulated, or fails to allege facts sufficient to constitute substantial evidence of an outcome-determinative violation of election law, irregularity or misconduct. *See* 08 NCAC 02 .0114 (a) (5) and (6) (2020).

13. Article 8 of Chapter 163 of the North Carolina General Statutes sets forth the specific statutory provisions by which the vote of a registered voter may be challenged. *See* G.S. 163-84 *et seq.*
14. Pursuant to G.S. 163-89(a), “The absentee ballot of any voter may be challenged on the day of any statewide . . . general election . . . beginning no earlier than noon and ending no later than 5:00 P.M., or by the chief judge at the time of closing of the polls as provided in G.S. 163-232 and G.S. 163-258.26(b).”
15. Pursuant to G.S. 163-89(c), “Each challenged absentee ballot shall be challenged separately.”
16. Pursuant to G.S. 163-89(e), “All challenges filed under this section shall be heard by the county board of elections on the day set for the canvass of the returns.”
17. Pursuant to G.S. 163-90.1(a), “Challenges shall not be made indiscriminately and may only be made if the challenges knows, suspects or reasonably believes such a person not be qualified and entitled to vote.”
18. Pursuant to G.S. 163-90.1(b), “No challenge shall be sustained unless the challenge is substantiated by affirmative proof. In the absence of such proof, the presumption shall be that the voter is properly registered or affiliated.”
19. Pursuant to G.S. 163-90.3, “Any person who shall knowingly make any false affidavit or shall knowingly swear or affirm falsely to any matter or thing required by the terms of this Article to be sworn or affirmed shall be guilty of a Class I felony.”
20. Pursuant to *Reminders for One-Stop and Absentee by Mail Challenges* published by the SBOE:

[T]he only method to retrieve and discount the ballot of an absentee voter is through a timely and successful voter challenge. To dispute the ballot of a voter who has already cast a ballot through absentee voting, a timely challenge must be brought. Any challenge to a voter’s ballot cast at a one-stop site must be brought by Election Day.

*See SBOE Reminders for One-Stop and Absentee by Mail Challenges*, last updated November 2, 2020, p. 1, and G.S. 163-89.

21. *Reminders for One-Stop and Absentee by Mail Challenges* further states that before a Board were to disapprove an absentee application based on belief the voter is now deceased, the Board would need to receive official notice of deceased voter, sources of which include

“the DHHS List Maintenance Reports, death certificates from the local register of deeds, or written, signed notification from a near relative.” *See Reminders*, p. 4.

22. *Reminders for One-Stop and Absentee by Mail Challenges* further states that if absentee by-mail application has already been approved by the Board or if the voter voted during One-Stop, the Board would need to follow the Process for Disapproving One-Stop Application and Challenging the Absentee outlined earlier in the publication. *Id.*
23. Pursuant to G.S. 163-82.14(a), “The State Board shall adopt a uniform program that makes a diligent effort not less than twice each year: (1) To remove the names of ineligible voters from the official lists of eligible voters, and (2) To update the addresses and other necessary data of persons who remain on the official list of eligible voters.”
24. Pursuant to G.S. 163-82.14(b), “The Department of Health and Human Services shall furnish free of charge to the State Board of Elections every month, in a format prescribed by the State Board of Elections, the names of deceased persons who were residents of the State. The State Board of Elections shall distribute every month to each county board of elections the names on that list of deceased persons who were residents of that County.”
25. G.S. 163-82.14(b) further states that the list of deceased persons shall be based upon information supplied by death certificates the Department of Health of Human Services received from the preceding month and that “[u]pon receipt of those names, each county board of elections shall remove from its voter registration records any person the list shows to be dead.”
26. Pursuant to *Maintaining the Voter Registration Database in North Carolina* published by the SBOE, as part of North Carolina’s list maintenance program, county boards of elections (CBEs) “are required to remove any voter for whom they receive a death notification.” CBEs are to “exercise extreme caution and due diligence when conducting research to remove *potentially* deceased voters. Counties must review death information provided by the State Board of Elections of all deaths to ensure all ineligible voters are removed from the voter registration list and no eligible voter is inadvertently removed.” *See Maintaining the Voter Registration Database in North Carolina*, published July 27, 2017, p. 24.
27. *Maintaining the Voter Registration Database in North Carolina* states that “[t]he primary source of death notifications is DHHS” and outlines the process whereby DHHS provides that information each month. *Id.*
28. “[A] newspaper obituary, Facebook posting, unofficial death website or any other non-governmental entity” are not to be used to remove a voter from the list of registered voters.

*Id.* Furthermore, “North Carolina does not use the Social Security Death Index to identify deceased voters” as the list is duplicative of information received from DHHS. *Id.*

29. The Protest fails to allege that a timely challenge of any absentee ballot cast by a Wake County voter who predeceased Election Day was submitted to the Board or Chair of the Board by either a voter or member of the Board pursuant to Article 8 of Chapter 163 of the North Carolina General Statutes.
30. Furthermore, Protestor offered no factual evidence that the Board failed to adhere to the provisions set forth in Article 8 for challenging the absentee ballots of voters who predeceased Election Day or that were reiterated in the *Reminders for One-Stop and Absentee by Mail Challenges* publication of the SBOE.
31. The Protest offers no factual evidence that the Board failed to take required action under the State’s Uniform List Maintenance Program as set forth in G.S. 163-82.14 and further described in the SBOE’s *Maintaining the Voter Registration Database in North Carolina* publication. Rather, Protestor’s allegations stem from an “understanding” that neither the November 2, 2020 SBOE guidance nor the number of Wake County voters who died before Election Day were shared with the Board.
32. Protestor’s allegations regarding the wrongful inclusion of absentee ballots cast by Wake County voters who predeceased Election Day fail as any such challenges to their inclusion were required to be brought in the manner and timeframe specified in Article 8 of Chapter 163 of the North Carolina General Statutes.
33. Protestor’s allegations regarding the wrongful inclusion of absentee ballots cast by Wake County voters who predeceased Election Day fail as the basis for and process of removing deceased voters from the voter registration rolls is set forth in G.S. 163-82.14 and further detailed in the State’s List Maintenance Program.
34. The Protest lacks evidence which, if true, substantiates the probable occurrence of an outcome-determinative defect in the manner in which votes were counted or results tabulated, or the probable occurrence of an outcome-determinative violation of election law, irregularity, or misconduct.

IT IS THEREFORE ORDERED, by a three-two vote of the WAKE COUNTY BOARD OF ELECTIONS that the Protest be dismissed as lacking probable cause required in accordance with G.S. 163-182.10 (a)(1).

This the 25th day of November, 2020.
